This plan is a general arrangement of the Interior space for the convenience of contractors and is made from available information. studioMYID assumes no responsibility for the accuracy of interior measurements. Fabricators, Contractors and others utilizing these plans in connection with this job are responsible for securing their own measurements. Plumbing and Electrical information indicated on these plans are generally for interior/kitchen design and are intended as a reference only. studioMYID is not responsible for the engineering thereof, or for any plumbing or electrical fittings, work, and/or connections unless otherwise specifically provided for in the plans and specifications. studioMYID assumes no responsibility for work done by contractors or for any changes made necessary by local building or health department codes, ordinances, structural conditions, or by the substitution or changes in interior/kitchen design shown on the plan. These plans and designs contained herein are the property of studioMYID, and may not be reproduced, used, reviewed or examined by anyone, either all or in part, without first securing the written permission of studioMYID.
