SECTION II - PROJECT DESCRIPTION

- 4) Please describe the purpose and intent of the grant.
 - 1) Training for shelter volunteers, shelter fosters, and shelter dogs for a year.
 - 2) LARPBO Shelter Intervention & Prevention Program ("SIPP") group training vouchers provided to dog owners to (a) intervene where it is deemed dog training would keep the owner from surrendering a pup and (b) prevent dogs from being returned to the shelter.
- 5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The training provides East Valley Animal Shelter volunteers and fosters necessary dog handling skills, as well as obedience training. They will have the tools to consistently train dogs to have a better chance of being adopted/rescued and will boost their confidence to handle all dogs of varying size and temperament. A well-trained dog will likely remain home and not returned.

LARPBO will distribute 100 SIPP vouchers to individuals who live in the area and who meet the program's purpose. 10 class vouchers for each qualified dog owner shows commitment by the dog owner and will provide the dog a better foundation of obedience. This is in alignment to Los Angeles' goal of becoming a no-kill city.
