If the public wishes to address the Committee on any agenda item before the Committee takes an action on an item, the Public will wait to be addressed by the presiding officer before commenting. If accessing the meeting by telephone, the public is requested to press *9. If accessing the meeting by computer, the public is requested to click on the “raise hand” button.

Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Committee’s jurisdiction will be heard during the General Public Comment period.

Please note that under the Brown Act, the Committee is prevented from acting on a matter that the public brings to its attention during the General Public Comment period; however, the issue raised by a member of the public may become an item on a future committee meeting agenda.
