Subject: Sherman Oaks Representation on Van Nuys Citizens Advisory
Council (VNY CAC)

Dear VNY CAC Members and Ms. Margheritis:

The Sherman Oaks Neighborhood Council has reviewed the membership of the VNY CAC board and has determined that Sherman Oaks, a neighborhood directly affected by Van Nuys Airport operations, is not adequately represented on the VNY CAC.

The following motion was presented to the Sherman Oaks Neighborhood Council (SONC) at their regular meeting on Monday, October 14, 2019:

Motion: The Sherman Oaks Neighborhood Council (SONC) supports CD4 being represented on the Van Nuys Airport Citizen's Advisory Council (VNY CAC) board and is in agreement with Councilmember David Ryu's letter requesting such representation and authorizes issuing letters supporting this position to the VNYCAC and various other elected officials and agencies as appropriate.

The motion carried unanimously.

Your timely support and implementation of the actions required to provide Sherman Oak representation on the VNY CAC board is appreciated.

Sincerely,

Jeffrey Hartsough
President
Sherman Oaks Neighborhood Council
