Video of the Presentation can be found here:

https://www.youtube.com/watch?v=NJT3Zad_aG4

- Courses are divided: Connect, Discuss, Explore, Apply, Simulate
- There are 9 steps to take after a disaster. The first 6 steps are for the individual/ family/ home. The next 3 steps relate to survival of your neighborhood and forming teams.
- MYN teaches how to respond during the first hours of a disaster.
- A neighborhood is defined as 15-20 houses.
- “Golden Hour” is a term used by emergency responders relating to Hour One of a disaster. This is the time of most importance to save lives and property. MYN teaches what people need to do in those first moments.

Disaster vs Emergency

- Emergency is when we call 911. Problem is out of control & needs Police, fire, utilities.
- Disaster is when 911 is overloaded and neighbors become the first responders.

Questions / Answers:

Is there an Ideal # of neighbors, blocks. Streets? MYN was designed to be around 15-20 homes.
Is there a way to know if I'm next to a block that has done this?? That is confidential. Kristin suggests we each talk to neighbors when we go out for a walk.

Is there a digital version of the booklet? It is best to have it in our hands as a physical thing. But there is a phone App coming.

Is there a booklet in Spanish yet? Not fully completed yet.

Is there a cost? \$3/household – includes booklet & course if you order 20 books x \$3 - \$60

ONGOING RADIO COMMUNICATIONS PRACTICE OPPORTUNITIES:

Weekly Walkie-Talkie Radio Check-In: Every Sunday at 10am: Channel 20 (or Ch 17 if 20 is busy), we check-in around the Valley to see how far our voices can be heard. We practice checking-in, moving locations around the home until someone can hear us. Simple radios are a good source of emergency communication with your immediate area which could help if we experience a valley-wide disaster. The PSC suggests you pull-out a walkie, put in fresh batteries, and listen to next Sunday’s net to see if you can hear anyone.

Weekly Sunday Morning Lake Balboa Amateur Radio Net: Every Sunday at 9am on Simplex 145.570 we have a weekly net for Ham Radio Operators transmitting around the SF Valley and beyond. It is a formal, but friendly, net where information is exchanged on a variety of topics. It is especially great net for NEW Hams.
