Summary: The following motion was passed by the Sherman Oaks Neighborhood Council (SONC) supporting CF 20-0429. In light of continued increases in the spread of coronavirus and a disproportionately vocal minority of objections to the Mayor's order concerning mandatory face coverings and/or masks, the Sherman Oaks Neighborhood Council, out of an abundance of caution and consideration for public health and safety during the COVID-19 state of emergency, strongly requests the Los Angeles City Council adopt an ordinance that would require, legislatively, the wearing of face coverings and/or masks in specified public situations subject to limited exemption, and specify the method and manner of enforcement of such an ordinance, such as but not limited to fines or citations, sunseting after the emergency concludes.
