To Our Public Officials:

The Sherman Oaks Neighborhood Council is concerned about the number of needless deaths caused by gun violence across our country. We note that the first words of our United States Constitution read "We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic tranquility." This Neighborhood Council renews the call for domestic tranquility. On March 12, 2018 the Council passed the following resolution unanimously:

"The Sherman Oaks Neighborhood Council requests our elected and appointed city, county, state, and federal officials to initiate, pass, and enforce all legislation possible to further regulate and/or eliminate the sale and ownership of automatic weapons and bump stocks."

We hereby call upon you to pass all necessary legislation to ensure this.
