Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Committee's jurisdiction will be heard during the Public Comment period. Please note that under the Brown Act, the Committee is prevented from acting on a matter that the public brings to its attention during the Public Comment period; however, the issue raised by a member of the public may become an item on a future committee meeting agenda. Public Comment is limited to 2 minutes per speaker unless adjusted by the presiding officer.

AB 361 Updates: Public Comment is not required to be submitted in advance of the meeting; only real-time public comment is required. If there are any broadcasting interruptions that prevent the public from observing or hearing the meeting, the meeting must be recessed or adjourned. If members of the public are unable to provide public comment or be heard due to issues within the Committee's control, the meeting will be recessed or adjourned.

SB 411 Updates: In the event of a disruption that prevents the eligible legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the eligible legislative body's control that prevents members of the public from offering public comments using the call-in option or internet-

based service option, the eligible legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the eligible legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1. ^(C) The eligible legislative body shall not require public comments to be submitted in advance of the meeting and shall provide an opportunity for the public to address the legislative body and offer comments in real time. ^(D) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the eligible legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate. ^(E) (i) An eligible legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (D), to provide public comment until that timed public comment period has elapsed. ⁽ⁱⁱ⁾ An eligible legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (D), or otherwise be recognized for the purpose of providing public comment. ⁽ⁱⁱⁱ⁾ An eligible legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (D), until the timed general public comment period has elapsed.

ONGOING RADIO COMMUNICATIONS PRACTICE OPPORTUNITIES:

Weekly Walkie-Talkie Radio Check-In: Every Sunday at 10am: Channel 20 (or Ch 16 if 20 is busy), we check-in around the Valley to see how far our voices can be heard. We practice checking-in, moving locations around the home until someone can hear us. Simple radios are a good source of emergency communication with your immediate area which could help if we experience a valley-wide disaster. The PSC suggests you pull-out a walkie, put in fresh batteries, and listen to next Sunday’s net to see if you can hear anyone.

Weekly Sunday Morning Lake Balboa Amateur Radio Net: Every Sunday at 9am on Simplex 145.570 we have a weekly net for Ham Radio Operators transmitting around the SF Valley and beyond. It is a formal, but friendly, net where information is exchanged on a variety of topics. It is especially great net for NEW Hams.
